Join us in building game changers

Become a Lead Coach or volunteer today

At First Tee, we help kids discover what's inside of them, guide them to strengthen it, and mentor them to put it into action in everything they do.

To do this, we need enthusiastic and caring individuals to serve as positive mentors and role models to kids and teens of various backgrounds. Our coaches' ability to develop impactful relationships with our participants is the backbone of our program. You don't have to be a golf pro to volunteer with us - we provide training. All you need is a passion for youth development!

In 2023, over 300+ volunteers came together with the common goal of Building Game Changers in our participants and in the community we serve. Will you do the same? Get involved today!

Time Commitment

We offer classes Monday - Friday in the spring, summer, fall, and winter. Tell us your schedule, and we'll find a place for you.

Volunteer Requirements

The safety of our kids is our top priority. All volunteers are required to complete a background check and Safesport Training before volunteering.

Outreach Volunteers

First Tee's impact goes beyond the golf course. We partner with local youth centers to deliver our program through unique events to kids without access to a golf course.
